Grönfeltsgården

Hotel - Conference - Restaurant

Grönfeltsgården is only 6 min walk from the centre of Karlskoga in a scenic area, close to the promenade at the Möckeln beach.

Veterinarian Felix Grönfeldt built a residential house for himself and his family right by the lake in the late 1870s. The building was called Herrgårdén (the mansion house).

Today, the building houses the Strandkanten Restaurant.

The main building on the plot houses a newly built hotel with 4 mini-suites and 4 double rooms for a total of 24 guests at the same time. The bedrooms have lake view, free Wifi and smart TV.

The hotel is also open on weekends with package offers.

Street address: Grönfeltsgatan 27-31, 691 41 Karlskoga

Telephone hotel: +46 (0)73-6656780, Telephone restaurant: +46 (0)586-56780

The restaurant serves breakfast to hotel guests, lunch of the day and à la carte in the afternoons and evenings. There are over 100 seats indoors and an additional 200 seats outside.

Conference rooms with up to 40 seats are available in the courtyard. Overnight accommodation and dinner can be booked at package rates in conjunction with the conferences.

Karlskoga Hotell

Hotel - Conference - Restaurant

The hotel has 101 hotel rooms in various designs, ranging from economy rooms to superior and family rooms. The hotel has free Wi-Fi for all guests and visitors.

Hotel breakfast and the lunch of the day are served in the restaurant and dinner is also served for hotel guests.

We have 5 conference rooms with space for up to 200 participants.

A hearty welcome to Karlskoga Hotell!

Lunnedet Camping & Event

Enjoy nature and refill your batteries with us in Lunnedet. A small campsite of natural beauty in Karlskoga. Here you will find everything you would expect, a beautiful campsite, with space for motorhomes and caravans, small and large cottages, pitches and a tent area, all located right next to the lake Alkvettern.

The old miner's farm houses our cozy café, offering simple dishes, good coffee and lots of ice cream in various forms. Here you can also rent miniature golf, rowing boats and paddleboards.

The food and pastries are best enjoyed in our lush garden where the large oak trees offer shade. On our porch, in our stable and in the barn you can have a good meal, have a cold beer or other drinks. We have an inviting menu with something for everyone. How about our smash burger that has already become a success, you should definitely try it! Please book a table to be sure of having a seat.

Lunnedet is an arena where we offer camping, café and restaurant, but we are so much more! We organize weddings, baptisms and

lots of other events such as birthday parties, conferences, Christmas dinners and corporate events. On our website and in social media you can find much more to read about us.

Every Tuesday, starting at the end of April, there is a motor meet-up at Lunnedet, then the lawn is filled up with nice cars and motorcycles, there will be live music on offer and good food eaten.

Several times a week during the high season there is music with a troubadour or live band with us, indoors or outdoors if the weather permits. New for this summer is that you can book a table and food with a beverage package in advance. We want to be the obvious place to have fun and a good time at!

A large playground and good ice cream, it doesn't have to be more complicated than that for the children to enjoy themselves with us, the fact that there is also a very nice swimming area with a large jetty does not make things worse.

The swimming area is accessible to the disabled, as is the restaurant Stallet.

If you don't want to swim, play miniature golf or look at nice motor vehicles, there is a wide range of hiking trails, an easier illuminated trail and a lookout tower within a reasonable walking distance. Why not buy a picnic basket in the café and go for a hike!

We welcome everyone to us!
